To the Alumni of Dartmouth College, their Relatives and Friends:

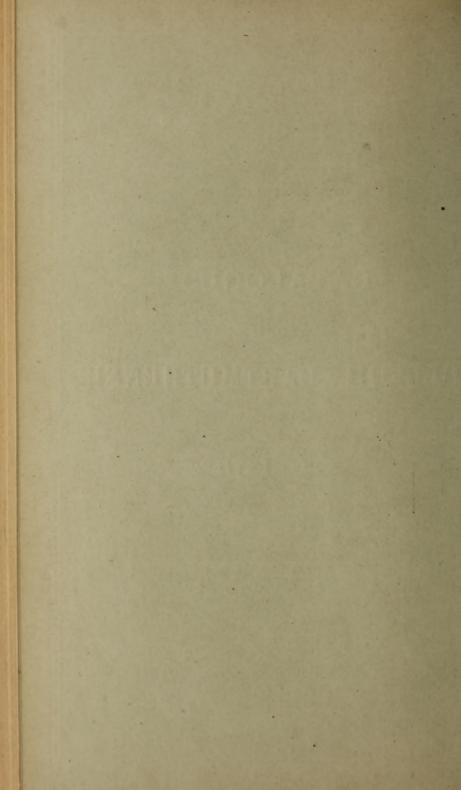

THE Rev. Doct. CHAPMAN, of Newburyport, Mass., is gratified in being able to acknowledge the alacrity with which large numbers of Dartmouth graduates, their relatives and other gentlemen, have responded to his request for biographical statistics, pertaining to the work he has been arduously engaged in completing. Such of them as have seen the existing manuscript are surprised at the vast extent of the information already gained. And yet, as it is desirable that the record should be perfect, and some deficiencies still exist, which can be supplied, provided previous applications, not answered, should be considered and replies obtained, the items desired are again submitted, and an earnest appeal made to all concerned, so that the publication of the proposed sketches may be accomplished prior to the Commencement of 1865.

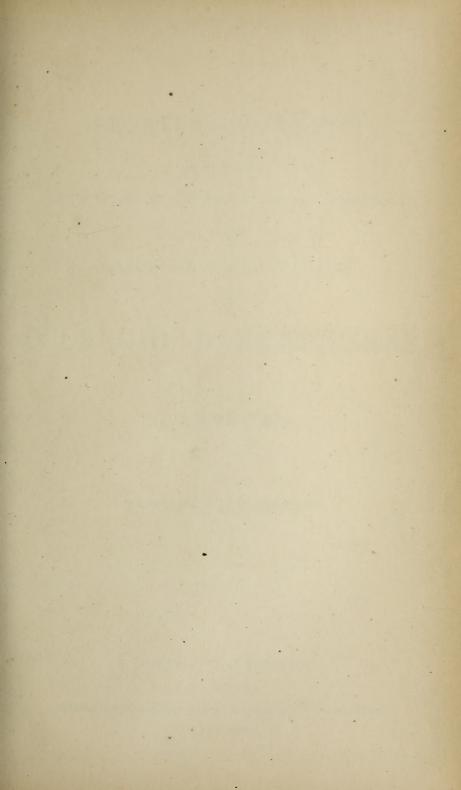

- 1. The full parents' names of the graduate, including the maiden names of the mother.
 - 2. The day, month, year, and place of birth.
 - 3. Occupations, after graduation, with residences and full dates, if possible.
 - 4. Where, when, and with whom professions were studied.
- 5. Where and when they were practiced, and if degrees have been taken in law or medicine, the college where given, with the year, and in theology, the day, month, year, and place of ordination.
- 6. All civil and military offices held, with the dates of commencement and termination.
 - 7. All works written and published, with the precise titles.
- 8. Marriages, with the full names of the bride and her father; the day, month, year, and place thereof.
 - 9. Deaths of graduates, giving the day, month, year, and place of decease.
 - 10. Address; Rev. Dr. Chapman, Newburyport, Mass.

DARTMOUTH ROLL OF HONOR.

It was expected that a Roll of Honor—comprising the names of all Graduates and Undergraduates of the College who served in the Army and Navy of the United States during the late war—would be published in connection with this Catalogue, but it was found impossible to collect the requisite information in season. It is now proposed to publish such a Roll as soon as the facts can be collected. To facilitate this, the Alumni and friends of the College are earnestly requested to furnish such information as they may be able, relating to the military or naval service of Alumni and Students of the College, especially in the following particulars:

- 1. Place of enlistment, with time of service-specifying No. of Regiment, &c.
- 2. Rank at beginning and close of service.
